ABOUT ME

B2B Marketing Specialist working in power protection and solar energy. I plan and run ABM campaigns, manage social media, coordinate partner and distributor communications, and provide creative direction, using AI to support content production. I also work part-time as a Digital Marketing Lead for a fashion and beauty startup, managing B2C paid campaigns and maintaining its e-commerce website and product pages. Alongside work, I am studying for a master's in Strategic and Digital Marketing at the West University of Timisoara.

PROJECTS

06/2024 – 10/2024

Work and Travel | Minnesota, USA

Had the privilege to interact with international clients and colleagues from around the world. This experience enhanced my communication skills and built authentic relationships in a multicultural environment.

03/2020 – 04/2020

Erasmus+ | Lisabona, Portugalia

This program elevated my skills in the tourism field, particularly as a Tourism Technician. The mobility experience offered me the opportunity to strengthen essential values such as professional ethics and effective communication, while also developing the ability to work efficiently abroad in a multicultural environment.

10/2026 – 10/2026

Erasmus+ | Malta

Took part in an international training on the POWER project, focused on clean energy and resilience against security-related disinformation. The program strengthened my understanding of clean energy technologies and my ability to identify and analyse disinformation narratives, while developing my science communication skills through a hands-on integrated campaign in a multicultural environment.

VOLUNTEERING

25/08/2023 – 27/08/2023 Timișoara

Volunteer at Codru Festival 2023

Volunteered as part of the Codru Festival team, providing support in logistics and technical equipment management, contributing to the smooth execution of the event. This role helped me strengthen my teamwork and organizational skills while enjoying the festival atmosphere.
